## For Educators

# Global Education Forum (GEF)

**Harvard University Graduate School of Education Asian Pacific Education Students International Association (APESIA) Global Education Forum (GEF)** is an international summit dedicated to advancing the development of the Asia-Pacific international education sector. The summit brings together education experts, scholars, policymakers, and industry leaders from the Asia-Pacific region and around the world to explore important topics such as educational technology, education policy, international education, and educational innovation. Through various conferences, seminars, workshops, and other activities, GEF promotes multinational cooperation and exchange, drives global education development, and actively contributes to the construction of a more inclusive, innovative, and sustainable educational ecosystem.

## For Educators

# Global Education Forum (GEF)

Over the past two years, we have invited international educators such as Hatch Thomas, former Director of the National Center for Education Reform and Restructuring Schools in the United States; Kunal Johar, former technology scientist at the United States Department of Defense; Prashant Loyalka, Senior Research Fellow at the Freeman Spogli Institute for International Studies; and the Chief Researcher of the "Potential" program in the Indonesian Archipelago, among others, to discuss the development of education in Asia. The number of online participants in the past has exceeded 50,000.

**国际教育学者委员会 (ESC)**

# Harvard GSE APESIA Education Global Scholars Committee (GSC)

The Global Scholar Committee is an integral part of the Harvard Graduate School of Education Asian Pacific Education Students International Association (APESIA), dedicated to addressing challenges in international education research. Its mission is to gather outstanding scholars from various disciplinary fields to conduct in-depth research on critical issues in education transformation in the Asia-Pacific region. The committee aims to advance academic research in the region and facilitate exchange and sharing among education organizations in the Asia-Pacific.

Our committee members possess rich research experience and outstanding academic achievements, spanning multiple disciplines including education, psychology, sociology, economics, and policy studies. They bring deep expertise and unique insights into various aspects of educational research.

The Scholar Committee actively engages with key issues in the education sector in the Asia-Pacific region, including but not limited to educational inequality, educational technology and innovation, education policy and reform, and cross-cultural education exchange. Through organizing academic seminars, hosting specialized lectures, and publishing academic papers, we foster collaboration among members to explore effective approaches to address the challenges facing education in the Asia-Pacific region.

Furthermore, the Scholar Committee is committed to establishing partnerships with academic institutions and organizations in the Asia-Pacific region to promote multinational cooperation and exchange, expand research fields, and advance developments in the education sector.

# 哈佛大学教育研究生院亚太教育学生国际协会 (APESIA) 国际教育学者委员会 (GSC)

Global Scholar Committee (国际学者委员会) 是哈佛大学教育学院亚太国际教育协会 (APESIA) 的解决国际教育困境研究的重要组成部分，其使命在于汇聚来自各个学科领域的杰出学者，共同致力于深入研究亚太地区教育领域变革的重要议题，推动地区学术研究进展，并促进亚太教育组织交流与分享。

我们的委员会成员具备丰富的研究经验和卓越的学术造诣，涵盖了教育学、心理学、社会学、经济学、政策学等多个学科领域。他们在教育研究的各个方面都有深入的专业知识和独到的见解。

Scholar Committee积极关注亚太地区教育领域的热点问题，包括但不限于教育不平等、教育技术与创新、教育政策与改革、跨文化教育交流等。我们通过组织学术研讨会、举办专题讲座、发表学术论文等方式，促进成员之间的交流合作，共同探索解决亚太地区教育面临的挑战的有效途径。

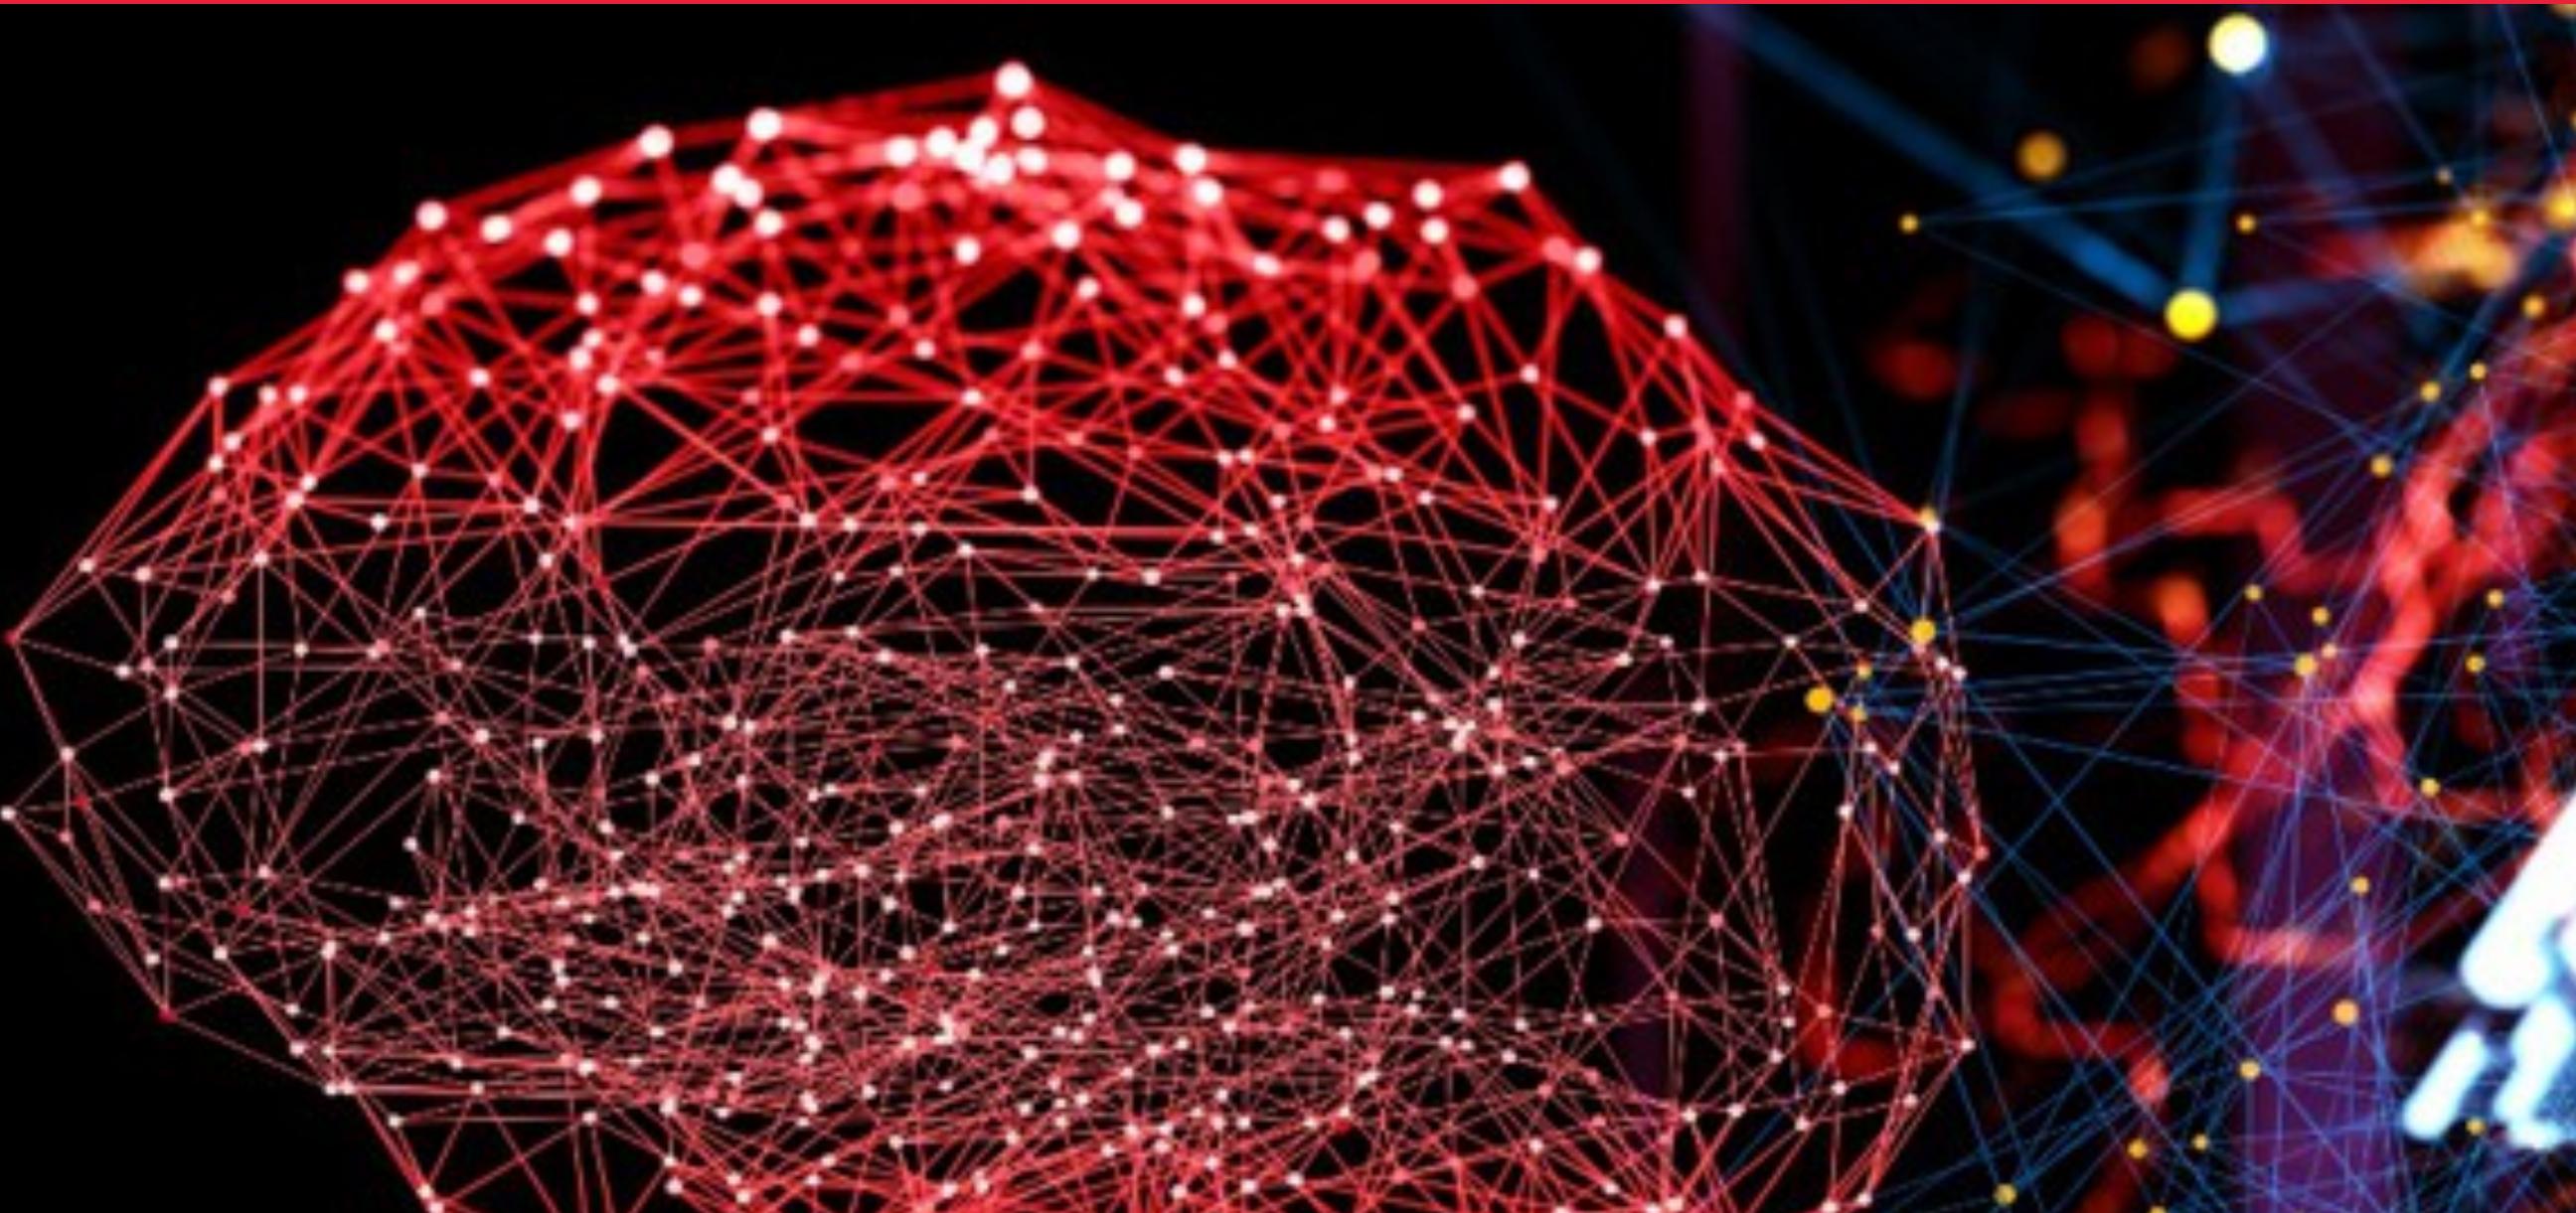

除此之外，Scholar Committee还致力于与亚太地区其他学术机构和组织建立合作关系，推动跨国合作与交流，拓展研究领域，促进教育领域的发展。

# Harvard GSE APESIA AISpark 创新挑战赛 (AICC)

# AISpark Innovation Challenge Competition (AICC)

The Harvard GSE APESIA AIspark Challenge Competition (AICC) is a global high school and college student artificial intelligence education competition jointly organized by the Harvard Venture Capital Club and the Harvard Graduate School of Education Asian Pacific Education Students International Association (APESIA). The competition aims to discover and promote innovators and leaders of the next generation who will use artificial intelligence to drive educational transformation. Participants will have the opportunity to use their skills and creativity to propose AI-based solutions to address the challenges and issues facing the education sector today.

AISC aims to inspire participants to use AI technology and thinking to propose innovative educational solutions, thereby promoting progress and development in the education sector. This competition provides participants with a unique opportunity to interact, learn, and showcase their creativity and skills alongside peers from around the world. Through AISC, the Harvard Venture Capital Club and the Harvard Graduate School of Education APESIA aim to inspire the younger generation with innovative thinking and entrepreneurial spirit, injecting new vitality and momentum into the future of the education sector. This competition serves not only as a stage to showcase individual talents but also as a platform for collaborative exploration of educational innovation, contributing to the construction of a more intelligent, inclusive, and innovative educational ecosystem.

# AISpark 创新挑战赛 (AICC)

**Harvard GSE APESIA AISpark Competition (AICC)** 是由哈佛创投俱乐部和哈佛大学亚太教育协会共同举办的环球高中与大学生人工智能教育竞赛。该竞赛旨在发掘并推动下一代使用人工智能来引领教育变革的创新者和领导者。参赛者将有机会利用他们的技能和创意，提出基于人工智能的解决方案，以解决当今教育领域面临的挑战和问题。

AISC旨在激励参赛者运用人工智能技术和思维，提出创新性的教育解决方案，从而促进教育领域的进步和发展。这项竞赛为参赛者提供了一个独特的机会，让他们能够与来自世界各地的同龄人交流、学习，并展示他们的创意和技能。

通过AISC，哈佛创投俱乐部和哈佛大学亚太教育协会希望能够激发年轻一代的创新思维和创业精神，为教育领域的未来注入新的活力和动力。这个竞赛不仅是一个展示个人才华的舞台，更是一个共同探讨教育创新的平台，为构建更加智能、包容和创新的教育生态系统做出贡献。
